

The Emergency Planning Team

Devon Emergency Planning Partnership **DEPP**

Devon Councils (County & Districts) ensure a consistent approach to response and recovery

Together Emergency officers and senior managers manage risk and improve community outcomes

Each LA is responsible for their own 'Response and Recovery'

DEPP Mutual Aid

Specialist officers such as Communications staff or Building Control/Structural engineers can be loaned if an authority needs additional support.

The rates at which officers time is calculated is banded to ease administration.

Key Priorities for DCC

- **Continuity of Critical Council Services**
- **Liaison between Council & Utility Providers** – Identify and support those most vulnerable & who might not immediately be known or could become vulnerable over the course of a long term (multiple day) power outage
- **Supporting the Multi-Agency response**
- **Sharing of Information & Advice**
- **Co-ordination of Recovery**
