Disclaimer and Signature

Devon County Council Agrees to do the following:

1. To provide the Property Owner demountable and/or fixed flood resilience equipment, up to an agreed amount. This equipment will remain with the Property and demountable equipment will need to be stored by the Property Owner at the Property or at some other location near to the Property for prompt installation.
2. To arrange for the installation of the permanent fittings to the Property to enable the Property Owner or the tenant to deploy the demountable flood resilience boards and air-brick covers in the event of a severe rainfall forecast or a flood warning.
3. To pay the chosen contractor/supplier directly for the agreed works up to the value of the available grant.

The Property Owner agrees to do the following:

1. To store any PLR securely and protect them from damage.
2. To maintain and replace as required and to transfer the ownership and responsibility of this equipment with the transfer of the Property ownership, if/when it occurs.
3. To consent a preliminary PLR survey of the property conducted by DCC's appointed surveyor.
4. To be included on the Environment Agency's Flood Warning Scheme, if applicable.
5. To deploy the PLR, in accordance with the manufacturer's instructions.
6. To allow access to the Property at all reasonable and pre-arranged times for the purposes of installation and inspection of the permanent products or fittings and subsequent remedial work, if required.
7. If the Property is currently rented, or becomes rented, the owner will encourage the tenant to undertake actions 1 to 6 above and be aware of the limitations of the Council's liabilities as stated below. On sale or other disposal of the Property, to inform the new owner of the existence of this agreement.
8. If the Council has commenced the installation of the permanent fittings to the Property and is prevented from completing the works for any reason by any act or default of the Property Owner, the Property Owner will pay to the Council on demand all costs properly and reasonably incurred by the Council for the works carried out.
9. To use the allocated grant before the end of the current financial year. (Unless agreed in writing with DCC)
10. To contribute towards the cost of the works if the value exceeds the available grant.

What is not covered by this agreement?:

1. The Council shall not be held liable to the Property Owner or tenant for any actions, claims demand, costs and/or expenses incurred in respect of any loss or damage, including negligence, breach of contract, consequential and indirect loss, or personal injury (including death) which arises out of or in connection with the scheme, or use of the flood resilience.
2. The Council shall not be responsible for providing flood warnings or for ensuring that any other party does so.
3. The Council shall not be responsible for removing any fixtures associated with flood resilience products if or when the home-owner no longer requires them.
4. The Council shall not repair or replace damaged or lost flood resilience products supplied and fitted as part of the scheme.

5. The flood resilience products will be covered by a 12 month warranty against inherent defects. However, the Council cannot accept responsibility for the normal wear and tear of the flood resilience measures, or for their use in any specific manner whether or not this is made known to the Council. Property Owners are encouraged to consider entering into a maintenance agreement with the flood resilience supplier.

Home-owner Default:

The Council reserves the right to recover any flood resilience products from anyone who fails to comply with the terms of this agreement. No compensation shall be payable to the Property Owner.

General Data Protection Regulations (GDPR) Consent and Agreement:

Devon County Council will act as a 'data controller' for any personal data that you provide to us. As such, we will ensure that the data you give us is processed in line with our organisation's data protection policies and in line with your rights under the Data Protection Act 2018 and the EU General Data Protection Regulations.

Your personal data will be only used by Devon County Council's Flood and Coastal Risk Management for the purposes of this application. Devon County Council will retain your personal data for only as long as is necessary, and in line with our organisation's record retention schedules.
